Using the NEW Park Lane App

Understanding the new Features of the Park Lane App

With the ever-changing market, we've updated the app to be more user friendly and simple. Review the new features and changes, and download it today free of charge!

How to Download the New Park Lane App:

1. First – make sure any previous app versions have been uninstalled. Hold down the app until it starts to wiggle. You will see an 'X' appear in the top left corner of the app. Tap on the 'X' to uninstall.

2. When the message appears asking you to delete, tap on 'Delete'

 Open Safari (or installed web browser) and go to : jbpl.com/us for US reps **Or** jbpl.com/ca for Canada reps Tap on the 'Install' button.

4. A pop up box will open, confirming that you want to install the app. Tap on 'Install'.
